The Principal's Message

TO THE MEMBERS OF THE GRADUATING CLASS, YEAR '41.

Graduates of vintages old and new bid warm welcome to all of those who join the ranks of the C.C.I. Alumni this year. Some of you already have had the opportunity of engaging in work of value to the national war effort, and have plunged with a will into the work of the world. More of you will doubtless be so engaged shortly. Others of your number will be joining one of the military services to give their utmost in defence of our most cherished ideals, and to them we give a special salute! The world you face is full of confusion, but provides for you the opportunity to give clear-headed leadership. This we sorely need; hence may your stars be propitious.

Valedictories

All good things must come to an end. That is life. As the school year draws to a close, and the dreaded "finals" come nearer, we realize almost with a shock, that very soon now, we shall be saying "good-bye" to C.C.I., and in times characterized by such world-shaking upheavals, we have no assurances that we may ever see it again. We are graduating in this year of 1941, and so the first, and perhaps the most pleasant chapter of our educational careers is all but complete. Nor is it possible for us to sever those bonds that have linked this year's graduating class to each other and to Calgary's oldest and finest High School, without feeling a touch of sadness over doing so. "Sentiment", you say. Well, what is life without it?

And now, what has C.C.I. given us in the last few years? We came here with perhaps one objective, that of obtaining our Senior Matriculation. As we entered its portals three years ago, we perhaps dimly sensed that there might be something of greater value to us beyond the academic knowledge we came to acquire. Now we know there was. And while we shall always be grateful to the Faculty for their untiring efforts to enable us to gain our credits from year to year, we feel that we have received from them and from the general student body, something that is finer still; the development of those qualities of character which enable us to assume positions of responsibility in life with credit to ourselves and to the school that gave us our start. There were many corners to be rubbed off, many vanities to be eliminated, many social graces to be developed; and the process was often painful. In short, our school life has been just a cross-section on a small scale of what life itself will be, and to the degree that we have progressed in the stage just closing to us, so may we progress and make good in the greater life now opening to us.

And what have we given to C.C.I. during the years? As we remember opportunities missed, we are just a little afraid that there may be a debit against us. Human frailty often fails to capitalize good intentions and so we leave the shelter of the school's comforting atmosphere, trusting in the good-heartedness of those who remain, to forget the failures and sometimes remember the worthwhile accomplishments. May it be said of us that we endeavoured to rise to the high level of those former graduates who have since brought honour to themselves and to C.C.I.

To the Principal and the staff and to the students who remain, we say Thank You and Carry On.

—Grace Beresford.

We are out beyond the breakwater, through the steady shallows, beyond the foremost bar, and ready for life's great voyage. We face a stormy sea, horizoned with lowering clouds and trembling with the dark of war. But we may be sure that we shall again find the light, for with our knowledge to aid us we shall cry, "Lux Sit"—and it shall be so!

As we pause, our vision to the future, with the moment of adventure at hand, a host of memories flood to mind. Memories of strange first days, painful last days, of exciting moments on track or gridiron, of comrades and pleasures and work—all the memories of a youth changing to a man. In the problems of the classroom, in keen struggles of sport, in dramatics and clubs, in every phase of school life, we have sought and found, truth, honor, and happiness. Seeking these we have learned a deep love and respect for Central; finding them we have built up memories we shall long cherish.

Now our course is clear and marked before us, the bright stars of knowledge to guide us, the confidence and stamina of youth to sustain us. When we take our trick at the wheel and responsibility weighs heavily, the lessons learned at Central will see us through. Our scholarship, but far more, spirit, courage, and love of liberty, have armed us against the storm. And when we reach that distant port—when the fierce struggle has abated—we shall still be living in the light of Central traditions. This heritage—honor, truth, courage and knowledge—we now leave in trust to future graduates. May they be as proud of it as we are.

So, with the moment of parting at hand, we find it hard to pay proper tribute to our school and teachers. Mere words can never speak the message of the heart; only our actions and lives can prove our gratitude. Therefore, as we plunge out upon the winds and reefs of life's sea, we are determined "to bring order out of chaos" and vindicate our democratic teachings. "Under God we shall fight the good fight."

"And to the weapons of advancing foes
A stubborn breast oppose;
Undaunted 'mid the hostile might
Of squadrons burning for the fight."

—Archilochus.

—Keith MacGregor.

'Tis the twilight of our High School,
And the dawn of our careers;
So now we leave you and set forth
To face the coming years.

We've passed through many happy months,
These months at C. C. I.,
And memories dear will linger on
As the years go rolling by.

And now we fling the torch to you,
The juniors of today.
Keep up the standard of our school,
That we'll be proud to say

In days to come when we are aged
And pass the High School door,
“That was the place I went to school
In the good old days of yore.”

NIGHT RAID

As the sun slipped into the western sea,
And darkness fell across the land,
Six bombers lifted their ponderous wings
Towards Bremerhaven, for a raid was planned.

The pilot strained to pierce the dark,
The observer checked the course again.
The gunner dreamed of peace and home
And a time when the world had once been sane.

"Two Minutes." The observer's voice came harsh.
The seconds beat out in the incessant drone.
The engine cut dead, the nose dropped down,
And the wind whipped past with a deadly moan.

Ahead our objective loomed up black:
A moment's hush and our leader let fly,
And we felt the blast buffet our sides
As the flames reached up to rend the sky.

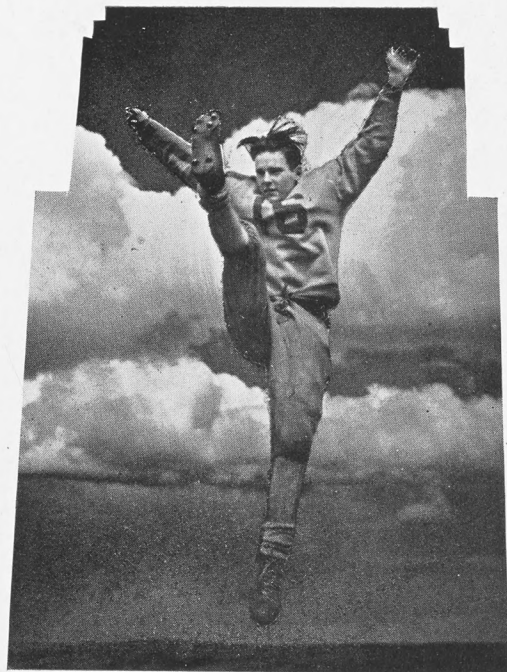

And now we entered a part of hell,
For the ground batteries took up the fire.
Two of our six were clutched by Death,
And sent screaming earthward in a flaming pyre.

A hundred wars were in that one short fight,
And we prayed to Heaven that life would cease.
And then as if plucked by the hand of God
We were amongst the stars and all was peace.

Arthur Howard—Guard—Weight 155, Age 18—

This was the first year of school rugby for Art. He succeeded in getting on the first line and despite an injured knee, he gave an outstanding performance all year.

Gene Totten—Half—Weight 148, Age 18—

Gene proved to be the most effective runner on the team. He had speed to burn and it was mainly through him that Central was able to keep in the running for so long.

Ian Gunn—Guard—Weight 190, Age 17—

A rookie on this year's squad who turned in a consistent game despite the fact that he saw little action in games. Ian should be a good prospect for next year's team.

SENIOR RUGBY BIOGRAPHIES—Continued.

Hugh McMillan—Flying Wing—Weight 160, Age 18—

Hugh graduated from Intermediate ranks this year. He filled a difficult position with an unexpected amount of skill and fight. Was an excellent tackler who should be a valuable man for next year's squad.

Art Follett—Fullback—Weight 165, Age 17—

Art was the team's ace yard-maker. A consistent plunger who was sure to carry the ball for a first-down nearly every time. He passed and tackled with the best in the league.

Ian Stuart—Half—Weight 145, Age 18—

Another import from Intermediate ranks who gave the team that extra power that only such a player with the experience as Ian possessed can give to his team-mates.

Howard Freeze—Tackle—Weight 155, Age 16—

A new player in the school this year who was a tower of strength in the line and was often seen breaking up opposition plays. An excellent prospect for next year.

Tom Coulter—Tackle—Weight 212, Age 19—

A hold-over from last year's Senior Team who again proved that in football, weight is one of the most important possessions a player can have. He bowled over the enemy almost at will.

CENTRAL SENIOR RUGBY SQUAD

The 1940 edition of our Senior Squad, composed mostly of a few members of the '39 stalwarts, together with a large majority of the '39 Intermediates, did not do as well as was expected of them. They were very good, both defensively and offensively, but something, whether it was finish or spirit, was lacking. It is and will probably remain one of those unsolved mysteries.

After defeating Crescent Heights 6-1 in their second game of the season, great things were expected of them. They now had the chance of meeting Western, and perhaps to deadlock the first place honors. After a rugged first half with each team getting a lone counter, Western forged ahead with two major scores and a field goal to end the game 16-1. This game also ended Central's chances to force Western into another game to decide the championship. All in all we had a fine bunch of ball players and a fine coach in Bob Harrison, and although no Championship came our way, a lot of credit is due the boys for their fine spirit and playing ability. Let's hope for better luck next year.

SENIOR RUGBY—Continued.

Western 2 — Central 0

Despite very adverse weather conditions, two evenly matched teams, Central and Western, met on the Mewata gridiron to open the 1940 Senior Rugby schedule. Play continued to go up and down the field until near the end of the second quarter, with neither team showing greater advantage over the other. Then from the Central 25 yard line, Western tried for a field goal which missed the mark. Jack Macbeth grabbed the pigskin in an effort to get it out of touch, but was brought down by A. Randolph of Western. Score 1-0 in favor of the green and gold.

Near the end of the fourth quarter, Bradley of Western hoisted a long high boot over the Central line into touch for another single point. The game ended 2-0. Outstanding for Central were Art Follet, Jack Macbeth and Gene Totten, who were responsible for the majority of the ball toting and excellent blocking.

Central 6 — Crescent 1

Wednesday, October 16, saw the Crescent Heights huskies go down to defeat at the hands of the Harrison-coached Central squad. After a very ragged, rugged, yet uninteresting half, things really began to happen. Bob Cope, a Central tackle, snagged a fumble by Novak of Crescent. This paved the way for Central's major score. Long rushes by Macbeth, Totten and Knight, placed the ball on the Crescent 5 yard line where Gene Totten went over standing up to make the score 5-0. The convert by Archie Knight was good for one point.

Late in the fourth and last quarter, Macbeth of Central was trapped behind his own lines after receiving a long high punt on a Crescent third down. To play it safe, Jack stepped out of touch and conceded the point to Crescent Heights. This ended the scoring, and the game ended 6 to 1 for the purple and gold.

Central 1 — Western 16

Despite the score, these two teams were very evenly matched. Central opened the scoring when Macbeth, on a third down, kicked to Nichol of Western behind his lines where he was rouged by Ian Stuart. This was followed by Totten being rouged by Ted Prudden. Thus ended the scoring in the first half.

Early in the third frame Bell of Western opened the major scoring, made possible by smart blocking and interference. 8 to 1 for Western. Then Bradley placed the palody squarely between the uprights to add three points to the score, after Western's downfield rush had been halted. Another stroke of bad luck came when Jack Macbeth fumbled the snap when behind his own lines, and Bell, who came up fast, fell on the ball for another major score. This touchdown was unconverted. Play then centered on the midfield until the whistle went to end the game, with Central on the long end of a 16 to 1 score. With this victory, Western won the Inter-scholastic Senior Rugby Championship. However, it will be a very different story next year, as Central will be in there punching with everything she has, to win that championship shield.

INTERMEDIATE RUGBY

The Intermediates were a bit disappointing this year. The chief factor which worked against the boys' chances was the unwillingness on the part of some members to practise and to co-operate with the rest of the team, but we hope this will not be in evidence next year.

INTERMEDIATE RUGBY—Continued.

The team got off to a bad start, on October 3, by losing the league-opener to Crescent Heights, 16 to 1 in a wide open game staged at Mewata Park. The following week saw our 130-pounders swamped by St. Mary's 24-0. Although Central showed a very marked improvement, nevertheless they were outplayed by the powerful "Green and Gold" squad. Only once did Centrals threaten, when Tempest and Riddle combined to run the ball 75 yards towards St. Mary's touch line, but were stopped dead in their tracks on a third down.

Next Thursday, Central was again defeated, this time by Western to the tune of 23 to 0.—This high score does not indicate the play at all, although Western had a faster and more spirited team.

Again Crescent went to town, this time defeating Central 24-0 at Mewata Park. Crescent Heights had by far the better team, being heavier and faster. Up to this point Central had had scored one point and had 87 scored against them. This point was thoroughly impressed upon the boys before the next game against Western, by the coaches Irvine Kelsey and Doug. Tempest. Then they defeated Western 7-6 in a fast moving and exciting contest. Western had formerly defeated Central 23-0. Western opened the scoring when Mitchell scored. The score was converted. Then, on a third down Michols got away a long punt which went over the Western touch line, and was caught by Mitchell, who then fumbled. Gordon MacAdam outstanding end for Central, pounced on the ball, for a major score, which Michols converted. Earlier in the game, Maybin had rouged a Westernite for one point.

In the final quarter, Don. Johnston of Central went over on an off-tackle play for another touchdown, but the score was ruled out because he had stepped out of touch. Play see-sawed back and forth until the whistle ended the game, with Central on the long end of a 7 to 6 score. This last game showed just what the boys were capable of, if only they wanted to play ball. It is too bad that a team composed of good material and sports should be spoiled by a definite lack of spirit.

JUNIOR RUGBY

Well sir, we finally did it. The Juniors won the title. It has been around seven years now since any Central 115-lb. squad won a championship or even come close to it. Last year they finished at the bottom of the League, although they won a lone contest. Much credit is due these little fellows who were full of that never-say-die spirit, and who went into practises so eagerly. That is what makes a good team, faithful practises and the willingness to compete. Our pride and joys had all this, with the result that it brought them the league championship. The boys really went to work under the able mentorship of Jom Lockhead and Bill Werth, two former Senior stars, and one could see that they had something.

After coming from behind under a 6-5 handicap in their first game of the '40 season, the Juniors won the game 11-6. Superior blocking and tackling by Stan. Denoon, Dave Turner, predominated throughout the game. After a great display by these three and the superior ball-carrying of Kenny Kuwahara, Dave Turner on a wide end sweep went over the chalked line for another major score, which he also converted. The scoring ended at this point.

Central 6—Western 6

Due to a great misfortune, Central tied this game with Western. Central understood that there was only one minute to play and so went ahead with their play. Instead the play was to be the last, and when it was over the game was through, and the result a tie.

Dave Turner opened the scoring for Central when he hoisted a fifty-yard kick for one point. Near the end of the second quarter, Central made a dash down the field, and then Turner drove over the first major score of the game. The convert attempt failed. In the third frame, Western scored on a brilliant passing display from Gill to Cooper. Then Gill converted, to tie the score.

Central 9—St. Mary's 6

This contest was a very rugged event. No scoring occurred until the second quarter, when Stan. Denoon, Central's miniature "Spitfire," tackled Knox of the Saints behind his own lines, for a safety touch. Saints then staged a great running and passing display to place the ball on Central's 5-yard line from where MacDonald crashed through the line for a touch. The score was converted, and the half ended a few minutes after "Red" Turner had got away a quick kick to the deadline. The score was 6 to 3 for the Saints. After a scoreless and uninteresting third quarter, Ritchie of Central gathered in a Green and Gold fumble on the 25-yard line, from where Turner

JUNIOR RUGBY—Continued.

worked his way over the line for a very necessary and important 5 points. Turner also converted. Central again threatened in the games' dying moments, but the whistle sounded before anything could be done.

Central 14—Crescent 0

Central again came through with a win in their final contest of the year. This time it was against Crescent Heights, on a wet and slippery Mewata Gridiron. John Lindsay, Central Quarter opened the scoring early in the first few minutes of the game, when he went over on a surprise line play.

The attempted convert was blocked. After very long ground plays by Dave Turner and Ken. Kuwahara, the latter galloped over the line standing up for a major score, which Turner converted. No more scoring occurred until late in the last quarter, when Turner scored on two successive punts to the deadline. With this victory, Central gained the championship as Central had been undefeated, and no other team was in striking distance as far as points were concerned.

SENIOR HOCKEY—Continued.

Our Senior Hockey this year was very successful. The boys played a total of nine games, winning four, tying one, and losing four, which was not too bad. They dropped two to Western, one to Crescent Heights, and none to St. Mary's. Entering the finals against the Crescent squad, a team which they had previously tied, the boys wound up losing two straight to take the second-best position. Altogether it was a great season for our puckchasers, but the turnout by hockey fans was utterly miserable. Only about 20, or sometimes fewer fans, watched each game, and then without much enthusiasm. A fast and powerful game such as hockey, our native sport, deserves a much better fate than this, as do our players. A large following of Central fans might have turned the tide in our favor, and another Championship added to our list. Let us hope for bigger and better hockey in the coming year.

**JUNIOR HOCKEY**

The Juniors had a very tough season this year, playing a total of six games and winning only one of these. The boys had lots of enthusiasm and courage, but lack of experience and of course those well known "breaks", were against their chances. Morley Luft, a member of the Senior Sextet, did a fine job of coaching despite the lack of material, time, and practises, due to the prevailing ice conditions, and a very slow hockey season. A better turnout would have helped a great deal or the Juniors' chances.

HOUSE LEAGUE—C.C.I.

Basketball this year was carried out under the direction of a Basketball Club. Early in December a meeting was held, at which a President, Vice-President, and Secretary, along with the team captains, were elected to act as an Executive. Junior and Senior divisions each had separate officers, but were supervised by the head common executive.

All told there were about 120 boys taking an active part in this year's basketball which brands it as one of our leading sports. Each team met every other team once in the league schedule. The Senior Division was won by the Riddle quintet, while North captured the Junior League.

In the playoffs for the Osborne Trophy, donated this year for annual competition in the Senior Division, Allen defeated Riddle 29-20, then lost 14-11 to win the round 40-34, and advance to the finals. Bond defeated Dietiker in their first game 11-9, then lost the next 19-14, to drop the round to Dietiker 28-25.

The finals between Allen and Dietiker proved to be the best House League match of the year. Allen finally won 24-19 in the sudden death contest.

In the Junior Division, North proved to have the best basketballers, by winning a Round Robin contest in a closely fought battle, capturing the unique Hi-Y Ice Cream Can Trophy.

looked in occasionally and Miss Dorothy Ward, a talented acrobat from Crescent Heights High School, came to one of the meetings to show the girls pointers on form.

The girls used the new equipment to advantage, spending a great deal of their time on the springboard and box horse, and they became quite apt at flips and rolls on the mats. They also practiced a few of the elementary pyramids.

Officers of the club are:

Honorary President	Miss James
Associate Instructor	Mr. Hodgson
Instructor	Cecil Keeping
President	Lyle Watson
Secretary	Aileen Porter

The girls wish to thank Miss James for making this club possible, and also Cecil Keeping for his much appreciated help.

**GIRLS' BADMINTON CLUB**

None of the school sports, including Badminton, began in earnest until the new year. Therefore the girls had a very short season commencing about the second week in January. There was some rumor about tournaments being played between schools, but arrangements could not be made as Operetta practices interfered, and the hot spring soon deadened the enthusiasm.

The executive chosen for this year was:

Honorary President	Miss Jackson
President	Margaret Jefferson
Secretary-Treasurer	Betty Pickford

The girls were scheduled to play every Monday and Thursday; the forty girls being divided evenly so that each played once a week.

Every member of this club enjoyed themselves immensely and they wish to express their heartiest thanks to Miss Jackson for the interest she has shown in the club.

**BOYS' BADMINTON CLUB**

Utilizing the three badminton courts to their fullest extent, the boys' badminton really went places this year, with a total of 33 members, and all new equipment. Games were played every Thursday on the new Auditorium floor, where very excellent scores were turned in. Towards Christmas, a tournament in doubles was played. Pat. Robinson and Don. Jones won the championship, while Gordon Swann and Dick McEwan won the secondary event. Every game was spirited by fine rallies, and arguments towards the rules and the finer points of the game. Next year the membership will probably be larger and competitions be played with other high schools.

CENTRAL SKI CLUB

(Left to right)—Mr. Hodgson, Doug. Eleves, Cedric McLean, Howard Freeze, Tom Link, Art Howard, Archie Campbell.

The Central Ski Club of 1941 got away to an early start this year, but due to the lack of enough snow this past winter, no great meets or even practises were even held. However, a few of the boys were able to get up to Norquay for a few week-ends. Then the Annual Interschool Competition was held at Norquay on March 16. As in previous years, Crescent Heights was unable to enter a team, so the competition was between Central and Western. A picked team from Central consisting of: Howard Freeze, Archie Campbell, Tom Link, Doug Elves, Art Howard, and Cedric MacLean, was

placed against the Western sextet. The competition consisted of a downhill course and a slalom course, which Central won for the third successive time. Their combined time was about 10 minutes ahead that of Western. Howard Freeze had the best combined time of the meet. So that beautiful Union Milk Trophy can, adorne the main hall of Ye Olde Hall of Larnin' again for another year. Let's hope for more snow for the coming winter so that the Ski Club may have another successful and ski-full, year.

supervised by Bruce Watts of the Y.M.C.A. and Mr. Hodgson, the club introduced many newcomers to the sport and produced four Calgary and district wrestling champions. They are namely: Tom Coulter, Calgary and District Heavyweight, Rod McNeil, Lightweight champ; Kirk Woolverton, Featherweight champ, and Burnette Binkley Middleweight champion.

The above awards were all won by members of last year's club. Two of the boys who won in their class are back with the club again this year, and have given excellent guidance to many new members. Many of the fellows are planning entering the Calgary and District Eliminations again this year. The best of luck to you fellows.

**BOYS' TRACK AND FIELD MEET**

This year's Annual Track and Field meet was a great success but not for the Purple and Gold of C.C.I. Western Canada won the event, massing a total of 79 points, with Crescent, Central and St. Mary's boys, following in that order. Two event records were shattered on this sunny Friday, the 31st of May. Bob Prosser of Crescent Heights covered the two-mile distance in 10:53 minutes. to better John Doyle's record mark.

Then Rod. Baird of Western, who was outstanding in all events in which he was entered, captured the Senior medal honors, just nosing out Pete Morris of Crescent.

Outstanding in the Senior class for Central was Archie Campbell who placed fourth in both the running broad and the high jumps. Bud Lennox, who is now serving with His Majesties Forces also placed fourth in the 12-lb. shot put.

Central captured more points in the Intermediate class. Cecil Keeping tied first in the running broad event, third in the hop, skip and jump; first in the 100-yd. dash (11 1-5 secs.) and was pace maker in the relay team which placed second. This showing by Cec., easily qualifies him as Central's top track man. Very honourable mention should be given to Alan Hammond and Bill Cummer for their work in high jump and 660 dash events.

Outstanding in the Junior Boys' class was Lorne Baxter, placing second in the standing broad jump, second in the 8-lb. shot put, third in the 75-yard dash. and a member of the relay team, who also placed second. in their event.

BOYS' TRACK AND FIELD MEET—Continued.

Alan Cummer also placed second in the standing broad jump, while Ian MacIntosh and Everett Graham placed third and fourth in the high jump and the 660 jaunt. Lorne Baxter, H. Height and T. Ford did a swell job combining to place second in Junior relay event.

Much credit and respect is due these little fellows of the Junior class, as most of them are first year students. They had at least the right kind of spirit, a spirit which every athlete must have, whether he be a follower of hockey, rugby, basketball, etc. It is a spirit which seems to be lacking about Central. Have we no love for competitions, to place first in anything and everything we undertake. Let us hope that next year Central will again come into its own in the field of sport.

GIRLS' TRACK AND FIELD

The 1940 Interscholastic Track Meet can certainly be called successful in spite of a head wind which slowed up the sprints and relays considerably. The meet was favored by good weather and an enthusiastic crowd of spectators. The Crescent Heights' girls carried away the honors for both B and C classes, but Central did very well in capturing the Senior and Junior Girls' Individual Championships. Dorothy Sandford won the Senior with $9\frac{1}{2}$ points, and Lyle Watson, with 12 points, won the Junior. The C class girls set a new record in the Round-the-Track Relay. The former record, which was $61\frac{4}{5}$ seconds, was beaten by Centrals' team by $4\frac{1}{5}$ seconds.

The total number of points credited to the girls in this meet was 42. 24 of them won by the Junior Class.

THE ISLAND FORTRESS

As darkness envelops the island's shores,
As stars appear in their regular course,
A lone shriek in the silence roars,
For the island awaits its enemy's force.

At first the sky is as clear as glass.
A small cloud is visible, like misty breath;
Then the heavens are filled with an ungodly mass
Whose sole purpose is destruction and death.

Where darkness prevailed, now is replaced by light,
Light from the incendiaries, in the form of flame,
And where these missiles of hell do blight,
Their only mission is to kill and to maim.

The skies rain death on this mighty land,
But it stands firm, an impregnable wall;
And slowly but surely this massive band
Of raiders, one by one, they begin to fall.

Until a remnant of their force is left behind:
Then, as fast as they came, they disappear,
And the island knows that in the invader's mind,
Bravery has been overpowered by fear.

It is confident that it will defeat the Hun—
That its Empire shall not be reduced to dust,
And shall live as long as the flaming sun,
For in God it lays its trust.

—Murray Jacques.

MEN OF AGES

On the flood of that great lake, draining the northland
Into the Arctic sea, I saw a boat, yellow and frail
As the fallen leaf of the quivering aspen.
Two dusky silhouettes dipped and pushed with strong arm,
Over the evening waters and up the path of silver into the setting sun.

And as I watched and wondered, how in ages past,
Many strong hearts and arms had thrust back
Into the unknown. I saw men wander onward
Always searching for the hidden summits of the promised land,
Searching over the next shoulder, up the escapement into the dusk.

—C. McLean.

THE DELTA RHO HONOUR CUP

This cup is awarded annually to the best all-round male student attending Central. The cup was first presented in 1937, and since then it has grown in importance until the present time, when it is considered one of the highest awards attainable.

Points are given for scholastic ability and general character as well as for activity in school sports and projects. Art Follett was the competent winner of the cup last year. This year there was little difficulty in choosing Bob Buckley, whose abilities in all activities made him the obvious choice.

THE FRANCES WOOLVERTON MEMORIAL CUP

This is the second year that this cup has been put up for competition. It is presented by the Girls' Hi-Y to the best all-round Grade XII girl. This year the trophy was presented to Grace Beresford, who was unanimously chosen. Congratulations!

With the advantage of a well-equipped new auditorium and lots of school spirit, the Students' Council has carried on its work this year with competence and enthusiasm.

The position of president for the first term was capably filled by Archie Knight, but when his resignation left that important place open, Ralph Jamison devoted his time and energy to filling the breach.

One of the leading events of the year was the opening of the new school auditorium, a gala affair which will long be remembered by Central students. A tea-dance was also held in the new building. At the time of

writing rehearsals for an original operetta are going on, and we feel sure that this venture will more than replace the usual March concert.

Various small duties were performed by the Council, including the sale of rugby tickets. Financial assistance was willingly granted to the new Central Junior Red Cross group.

Each school club was represented by one member in the Council, thus achieving unity in school affairs.

The Students' Council extends its best wishes for even greater success to the future Council of Central.

GRADUATION EXERCISES

The Graduation Exercises for the Central High School students took place in the Western Canada Auditorium Monday evening, June 10th, 1940.

The chairman was Mr. R. C. Carlile, of the Calgary School Board. After the singing of "O Canada," Ven. Archdeacon C. Swanson gave the Invocation which was followed by the Introductory Remarks by the chairman. The combined orchestras of Western and Central played a selection called "Maritana." Alton Ryan gave the Valedictory.

Mr. F. D. Weir then introduced the Central High School Graduates, 145 in number. As they walked on the stage they were presented with a program of the exercises, including the names of all the 1940 graduates from the three high schools—Western, Crescent and Central.

Following the introduction, Right Rev. L. Ralph Sherman addressed the graduates. Throughout the evening choral numbers were presented, led by T. F. Beresford, B.A. The Exercises closed with the singing of God Save the King.

DRAMATICS SOCIETY

Late last fall the Dramatic Society met for the first time of the year. Officers for the coming season were elected as follows: Miss Kaulbach, Honorary President; Betty Edmanson, President; Bob Cope, Vice-President; Tom Coulter, Secretary; and an executive of three: Marie Weir, Tom Leak (Grade Twelve), and Doris Woolverton (Grade Eleven).

It was unanimously decided at one of the following meetings that the Operetta was to be presented in a joint concert of the Dramatic Society. Choir, and Orchestra. Various committees were then appointed and by the middle of January, the production was in full swing.

DRAMATIC SOCIETY—Continued.

Their thoroughly successful year was terminated by the final presentation of "Lallapalloo", which speaks for itself (we hope!).

The production would not have been possible if it had not been for the wonderful work rendered by: Miss Kaulbach, director; Mrs. Carsley, authoress; Mr. Beresford, orchestra conductor and leader; and Mr. Higgin, composer of the music.

We would like to express our appreciation to the Central Home and School Association for their kind donation of the scenery used in the second act of the operetta "Lallapalloo."

THE ANNUAL CONCERT

Written and presented entirely by local talent, chiefly students and members of the staff of Central High School, "Lallapalloo," a musical comedy which pokes fun at doctors and dictators, played to good houses at Central's new auditorium for three nights, under the direction of Miss L. Kaulbach.

This musical comedy, the witty, clever libretto for which was written by Mrs. Sara Carsley, a member of Central teaching staff, and the music by Clifford Higgin, who conducted the students' orchestra, has many points in its favor.

It is written in four short acts with only two sets, and therefore runs exceptionally quickly for an amateur performance with a large cast.

It is prettily costumed with the Queen of the Seas, Nerea, regal in gold, her attendants in pink. Princess Lallapalloo is in white with suitable touches of glitter, and her maidens in pale blue, while a bevy of charming mermaids in sea green form the attractive chorus.

As the curtain rises the mermaids are discovered in various graceful poses from which they presently stir, dance and sing. Queen Nerea, played by Isabel Smith who has a sweet singing voice of good quality, enters and tells her mermaids to find her a mate. This is easier said than done, for the Queen must have a king, not a mere president.

In the second act King Merimel, played by Ralph Jamieson, who has a most pleasing baritone voice and an exceedingly easy stage presence, meets a shepherd. He is Floriolo, taken by Bob Buckley, a tenor, who also plays well, though sometimes a trifle self-consciously. The shepherd sings that he would like to be a king and marry a princess, while the king, who is on his way to wed Princess Lallapalloo whom he has never seen, wishes he could marry a simple country maiden. The king gives his crown and cloak to the shepherd, and in one of the best scenes of the operetta the mermaids surround him and help him dress in his royal robes.

First however, Polluto, dictator of Vulgaria and his "Spotted Shirt" troops enter. This chorus is particularly tuneful and was excellently done,

THE ANNUAL CONCERT—Continued.

while the dictator was well played by Tom Coulter, although the latter might have given his part better contrast had he been sterner in this first scene.

Later, through the good offices of Dr. Bluffo, his disposition is sweetened in an amusing scene, and in the end he is paired off with the nurse, though he would really have preferred one of the pretty young maids in waiting.

Dr. Bluffo, a part which is pure clowning from first to last, was splendidly done by Bob Hahn, despite the fact that it must have been difficult for that young man to tell exactly where his middle was! Bob has a good sense of comedy, add-libbed cleverly at least once, and made up in business what he lacked in vocal ability.

As far as singing was concerned honors go to Bette Edmanson as Princess Lallapalloo. Her voice was true and clear and her words delightfully distinct throughout. Other voices, as teen age ones are apt to do, wandered off pitch badly once or twice, but the princess seemed to have excellent vocal poise. She also did her acting well, and stayed in character all the time, though, as a matter of fact the whole cast was admirably strong on this point.

Bob Pulleyblank took the part of a herald and Grace Beresford made a good nurse, though she needs more confidence in her solo work. This should not be difficult for her to achieve as she has a pretty, pleasing voice.

Mr. Higgin's music is most singable, though perhaps a trifle high in one or two places for perfect comfort. It is full of catchy melodies and fits the mood and metre of Mrs. Carsley's story excellently.

The orchestra and choir were directed by T. F. Beresford, who obtained some particularly good work in the girls' choruses. The comedy might often have been pointed better, but for the most part was good throughout.

Others in the cast assisting were:—Chorus of Mermaids: M. Armstrong, J. Awcock, R. Bercovice, B. Brown, M. Clark, F. Corkum, E. Crawford, C. Deslandes, M. Fitzpatrick, P. Foley, M. Hambrook, Y. Head, J. Hickey, F. Holmes, C. Linton, B. Lowes, P. MacKay, B. McLean, A. Ostrum, L. Palmer, I. Roberts, J. Scott, D. Shaw, M. Somerville, P. Steele, J. Sturrock, P. Walsh.

Queen's Attendants: Pam Steele, Maxine Hambrook, Peggy Walsh, Barbara Tigner.

Princess's Attendants: Margaret Armsrtong, Pat Foley, Bernice Brown, P. Mackie, Marie Weir, Janeth Sturrock, Marjorie Hurlburt.

Spotted Shirts: George Allen, Bob Anderson, Carl Clark, Bob Cope, Don Davies, Frank Fish, Stan Gregory, Howard Griffiths, Ian Gunn, Lloyd Hinch, Gordon Humes, Don Jones, Sam Loschaek, Jack Love, Walter Luyendyk, Stanley Mann, Howard Marcellus, John Mayhood, Bill O'Neill, Kirk Woolverton.

Queen's Guards: Art Follett, Jack McBeth, Keith McGregor.

C.C.I. LIT.

With the opening of the new Auditorium, Central has had the opportunity of extending its social functions. Fewer restrictions were placed upon outside students, with the result that the hall was filled to capacity on all three occasions. Because the Auditorium was late in being completed the first Lit. was not held until February, and was followed by a Tea Dance in March and a Prom in April. The social functions this year were the best in Central's history.

Gala Opening Dance

The first Lit. of the season was held in the new Auditorium on Feb. 7th, in which well over three hundred Centralites, and their friends thoroughly enjoyed themselves. Jerry Fuller and his Orchestra supplied the musical entertainment.

The Lit. was made possible by the School Board and the Students' Council. School Board officials and members of the Central staff were in attendance and expressed their delight at the wonderful time the students were having.

Jerry Fuller presented "A Man and His Drums," which featured drummer Bruce Bristowe. This popular number received a tremendous ovation and was repeated.

The Girls' Hi-Y sold pop to quench the thirst of the dancers, and the Boys' Hi-Y controlled the door.

This Lit. was the best social function ever presented in Central.

Junior Rugby Lit.

On March 21st a Tea-Dance was held in behalf of the Junior Rugby players who brought honors to Central by winning the Interscholastic Rugby Championship for Central. Presentation of the cup and crests to the young players was made by Jim Lochhead. The boys presented Jim with a gift of appreciation for the work he had done for the team.

A suitable crowd of Centralites enjoyed themselves as they danced to the music of the Kampus Kids. The idea of a Tea-Dance (minus tea) was well acclaimed and enjoyed by all.

Plaid Prom

This dance, held on April 25th and sponsored by the Undergrads, marked the end of the social season. Sonny Fry and his Gentlemen of Music did a grand job in supplying the rhythm.

The hall was decorated with streamers and cardboard calico girls, which disappeared toward the end of the evening. Scattered throughout the crowd were gals in gay gingham and colorful prints.

A novelty number, "Ode to a Boiler Factory," written by Bob McMullen, a new member of the band, was presented by Sonny Fry. This number certainly represented its name and through the clash of cymbals and the beat of tom-toms a musical score could be heard (but not distinctly). Although an encore was asked for by the two hundred odd students who packed the hall, time could not permit this request.

Again the Girls' Hi-Y looked after the pop and the Boys' Hi-Y barricaded the door.

This Lit. will long be remembered by all those present and everybody certainly enjoyed themselves

THE C. C. I. WEEPER

Back Row (left to right)—Keith MacGregor, Mac Love, John Mayhood, Bob Pulleyblank, Art Follett.

Middle Row—Kaye Luke, Barbara Miller, Lyle Watson, Thelma Hill, Mr. W. Jones.

Front Row—Gordon McLean, George Allen, Bill Campbell, Albert Kipnes, Jack Cuyler, Doni Roberts.

Since the C. C. I. Weeper was taken over by the Students' Council some six years ago, the paper has undergone continued change and improvement. This year has added another step up in the level of high school journalism.

Organized in the middle of October, the Weeper staff, under Editor John Mayhood, turned out twelve issues this year. The staff included Art Follett as business manager, Mac Love as assistant editor, and Keith MacGregor, George Allen, Bob Pulleyblank, Frank Fish, Don Roberts, Barbara Miller, Lyle Watson, Kaye Luke, Peggy Hill, Albert Kipness and Gordon MacLean. Doug Tempest, Joe Spencer, Alf Gould and Ray Herbert were part-time members. Jack Cuyler and Bill Campbell handled the printing. Mr. W. Jones assisted capably as the staff advisor, and Mr. Weir showed great interest and kind co-operation.

The Weeper followed the same general form that was used during the last half of last year, with the addition of some improvements in set-up. It entered wholeheartedly into the activities of the school, and withheld no deserved comment either laudatory or critical.

Financial results of this year's publication have been satisfactory. The paper was sold on the subscription system tested last year, and the circulation was excellent.

This was the Weeper's eleventh year—"for C.C.I., First, Last and Always."

THE BOYS' HI-Y

Once again the club was very fortunate in securing Mr. Pulleyblank as mentor, and largely due to his excellent leadership has completed one of its most successful seasons.

The big undertaking of the year was the compiling of a "Service Roll," for which the boys attempted to get the names of all Centralites and ex-Centralites who were in active service. This work was handled by Jim Lochhead, one of the most active members, until Christmas time, when Jim himself joined the Dental Corps of the army.

As was the case last year the club sold school sweaters to the boys of the school. The design chosen was the same as last year and popularity in the choice was shown by the number of sales made.

Upon the suggestion of the Students' Council, the Boys' Hi-Y handled the sale of school crests to the student body. Under the capable supervision of Bill Riddle, the project was a huge success and close to two hundred crests were sold.

As well as performing these and various other services to the school, the boys met weekly to discuss important topics. A book, "The Two Ways of Life", formed the basis for discussion and the material was very beneficial to all members.

When the Seventh International Hi-Y Conference was held at Regina during Easter week, Central had three representatives present, who brought back a report on the Conference and presented it to the club at a regular meeting. These representatives were: Bob Cope, Bob Buckley and Art Follett.

THE GIRLS' HI-Y

The Central Girls' Hi-Y, under the capable leadership of Miss James, has completed its fifth successful year. The first meeting was held the third week in September. The weekly meetings have consisted of talks given by several guest speakers, and many discussions led by the members. An afghan was knit for the Red Cross. The members sold Christmas cards and school sweaters, and have also rendered several other services to the school. The Hi-Y clubs of the city held a conference in the Easter holidays. The social functions for the year consisted of the initiation of the new members at a picnic at the farm of one of the members; a tea for the former members during the Christmas holidays; and the annual party which took place in the new auditorium.

CURRENT EVENTS CLUB

1940-41 was an exceptional year for headlines. As the club specializes in news of world-wide interest it was a year of exceptional value to the members. Miss J. Elliott retired from school activity, and, as she was honorary president, it was necessary to have someone else. The position of mentor was a happy choice in Miss H. Hobbs. One of the highlights of the season was a party at the home of Miss Kay Haney. Among the notable speakers

**CENTRAL CAMERA CLUB**

The club was organized for its third year in early October under the excellent guidance of Mr. Scott. An executive, consisting of Glen McGregor, President; Doris Thorssen, Vice-President; Stan Gregory, Secretary-Treasurer; was elected and took office. In the early part of the year the club enjoyed a membership of sixty, which participated in and attended weekly meetings in the Chem. Lab. Highlighting these meetings were lectures by

CENTRAL CAMERA CLUB—Continued.

Jack Faire of McDermid Drug, Ken Thompson of Eaton's, and Joe Rossetti, staff photographer for the Calgary Herald.

Mr. Faire gave a very enlightening talk on photography in general and illustrated with natural color slides. Mr. Thompson gave a lecture to the members concerning the purchase, use and handling of photographic equipment and answered many of the members' questions. Mr. Rossetti enlightened the members concerning press photography and its vocational possibilities. His lecture was made especially interesting by the recounting of some of his experiences in his work.

A picture taking exercise to Shouldice was held last fall and proved a great success. Campfire songs, candid pictures and hot dogs were the outstanding events. Don Jones favored the club by leading the sing-songs with his accordion.

Shortly after Christmas the club was re-organized because of the loss of many of its members to the cast of the operetta. A new executive was elected consisting of Glen McGregor, President; Genevieve Harris, Vice-President; and Yvonne Clarke, Secretary-Treasurer.

During the latter part of the year a dark room in the old rugby room was utilized for practical work and demonstrations. All members were taught to develop and print their own films.

And to finish the year off, Ray Heimbecker gave an illustrated lecture on "Tinting Pictures with Oil Colors."

THE KAPPA KAPPA TAU FRATERNITY

This fraternity, the oldest in Central, is celebrating its fifteenth anniversary this year. Plans have been laid for a gala birthday party and the K.K.T. has invested two hundred dollars in war savings stamps. This club is composed entirely of students and ex-students of C.C.I. and from the first, C.C.I. interests have been the interests of the K.K.T.

As in previous years the club has held many successful functions, notable among them being "Winter Drawers On."

Every year the club inducts new members, the five this year being Don Cochrane, Archie Knight, Norm. Boyse, Dave Turner and Stan. Denoon.

The club's activities were varied. The "Indian Pow-Wow," "Formally Yours," a Rummage Sale, a Christmas Party, and the "Fraternity Party" in April proved interesting. The fifth anniversary of the Rho was celebrated at Bowfort with dinner, dancing and hiking the order of the evening.

The Delta Rho "Honor Cup," awarder annually to the best all-round male student of Central will be presented before the close of the season.

The fraternity has given several members to His Majesty's forces. When the traditional Progressive Dinner of June 30 winds up the season's activities, eight boys will have joined the services.

CENTRAL CADETS

Provincial Silver Strathcona "A" Shield

In the Strathcona "A" Competition Central Cadet rifle shots took first place to bring home the silver shield for Alberta. Congratulations!

Members of the team were: Pat Robinson, Don Jones, Ted Page, Tom Link and Ian Gunn. Ian Gunn also won the medal for being the best shot in the Province.

The Dominion of Canada Rifle Association awarded eleven medals to Central marksmen. Of these Pat Robinson and Don Jones were awarded the coveted First Class Medals.

Second Class Medals were won by Ian Gunn, Stan Harris, Tom Harris, Ted Page, Tom Link, Doug Austin, Gordon McLean, Bill Stemp, Jack MacDonald and Stuart Richardson.

HONOUR CADETS

Cadets in the First Aid Corps also made an excellent showing with every one of the twelve that wrote the exams coming through with honours.

They were: Lloyd Hinch, Stan Mann, Ken Brown, Bill Little, Don Roberts, Howard Johnston, Kent Jordon, Ken Islaub, Doug Shepherd, Bill Campbell, Jack Cuyler and Stan Gregory.

Central has every right to be proud of her Cadet Corps which has attained such remarkable accomplishments.

CENTRAL HIGH SCHOOL CADET CORPS

Early last October the cadets held their first parade, under Instructor Hodgson. At that time about 180 cadets were on the roll, but about forty of these were transferred or dropped out, being under age. A First Aid Corps, a Signal Corps and a Band were organized, and despite the lack of suitable parade ground, the cadets made rapid improvement. In the middle of December, the parade was held in the auditorium for the first time. At the beginning of the new year, more intensive training was started. Rifles and rifle dummies were issued, first aid equipment was secured, and the necessary supplies for the signal corps were obtained.

Beginning in January, the cadets had use of the ranges in the armories. Several teams were entered in competitions, and to date, one team has won the Strathcona "A" shield. Members of the team were Pat Robinson, Ted Page, Ian Gunn, Don Jones, and Tom Link. Ian Gunn was awarded a medal for a perfect score. In the D.C.R.A. a team of twelve cadets was entered. Of this team, two with scores of over 97, obtained 1st class medals; nine with scores of over 90, received 2nd class medals. The placing of this team has not been announced. In the Strathcona "C" shield, four Central cadets

CENTRAL HIGH SCHOOL CADET CORPS—Continued.

had perfect scores: Don Jones, Ted Page, Stan Harris and Pat Robinson. Central has certainly been well represented in rifle competition. We wish to express our appreciation to Geo. Rice and W. F. Stevens of the Calgary Rifle Club for valuable assistance given.

All the First Aid team secured their certificates; no awards were given. The First Aid instructors were B. Little, R. Herbert and R. Soley, who gave instruction in Field Ambulance work.

The Signal Corps of some 15 cadets, under the instruction of Jim Balfour, had a very successful year. The training consisted of morse code with buzzars and flags. In March, the Signallers were given examinations. Twelve of the fifteen passed and it might be well to note that no other cadets in Calgary passed this test, and we have been given to understand that only one or two other cadets in the whole province were successful. The credit for the showing of the signal corps is entirely due to their instructor, Sgt. Balfour. He accomplished a very fine job, and one to be well proud of.

The Corps was able to boast of a very fine band, consisting of 17 members. It was organized by B. Buckley, and later Art Follett was appointed Band Sergeant. The band contributed greatly to the success of the unit, and they acquitted themselves well at the inspections. Brigadier Harvey complimented them and spoke of the usefulness of a band to a corps. Thanks are due to the management of Al Azhar Temple for the frequent use of the drum equipment, and to Mr. Hayward of the Native Boys' Band for use of the bass drum.

In February, after passing special qualifying exams set by Sgt. Ins. Tillish and Sgt. Major Reynolds, both of the C.A.S.F., the officers and N.C.O.'s were appointed. Bob Buckley was commissioned as Captain and Kirk Woolverton, Walt Luyendyk, Don Jones, Ted Page, Pat Robinson and Dave Bond were commissioned as Lieutenants. Ralph Johnson was appointed Company Sgt. Major. A short time later the corps was inspected by the members of the School Board.

During the visit of the Governor General, the cadets took part in a march past. Some 120 members, including the band, were on parade, and the corps was given high praise for its excellent appearance.

The highlight of the year was the inspection of the combined schools' cadet corps by Brigadier Harvey, V.C. Central, Western and Crescent Heights corps took part, and the inspection took place at Western. The Central corps was a credit to the school. Over 140 cadets were on parade. Our band provided the music for the march past, and Capt. B. Buckley was parade commander for the inspection. The Central Cadet Corps was given many compliments for its fine display. Afterwards the unit marched back to the school and dismissed for the last official parade of the school year.

This year the cadet corps of Central was a success. About half of the boys of the school were members. Very few of the cadets had taken any previous military training. Under Mr. Hodgson the corps was turned from a green unit to an efficient company, and the highest praise is due to Mr. Hodgson who put the corps "over the top." The thanks of the cadets are also due to Sgt. Tillish of the C.A.S.F. for his valuable assistance.

QUO VADIS

I often sit in reverie,
Just rest, and think of you;
And ponder, since you left me,
What experience you went through.
You went the way of all mankind—
Stepped into the Unknown;
With whispered word of sweet farewell,
A smile and you had flown.

I felt the hurt of losing you,
The loss of all worth while—
An emptiness that none could fill,
'Twas my life's greatest trial.
And then one evening as I grieved
A voice, it seemed to be,
Whispered gently, "You're not bereaved,
Beloved, I am Free!"

And then—and then I seemed to see
A face, a form I knew;
But no, in truth, I just did see;
My dear one, it was you.
Since then you often come and fill
My evenings when I'm home,
But you have not explained to me
The path you went, alone.

—Daphne Thom.

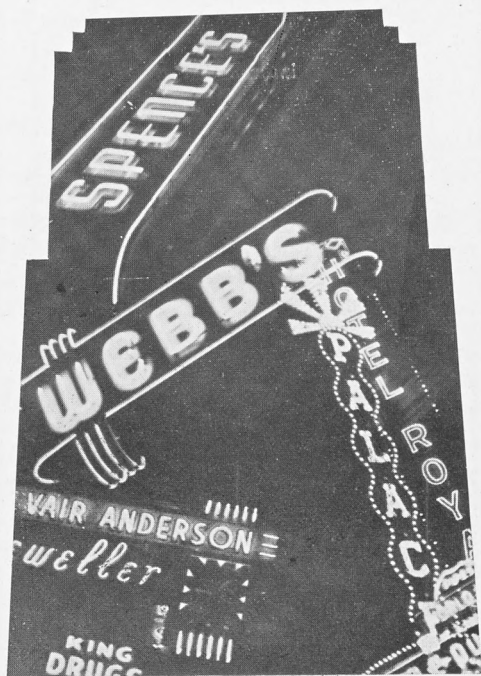

WISHFUL THINKING

I think that I shall never find
A teacher who's completely kind,
A teacher who won't make me work
When homework I should like to shirk;
Who, when I drowse and dream in class
Won't wake me up, but let it pass;
Who, as the months draw nearer June
Won't miss me on an afternoon,
And who will look the other way
If I am late, and say "Okay."
Teachers like this are found in dreams,
But not in Calgary schools it seems.

An insane asylum inmate noticed a farmer driving by with a load of manure. "Hey, mister," he called, "what are you going to do with that?"

"I'm going to use it on my strawberries," replied the farmer.

"And they call us crazy!" murmured the inmate.

Tomorrow's World Belongs to You!

As you complete your studies at Central Collegiate Institute and pass through the portals of a new work-a-day world it would be well to bear in mind that you go forth better prepared than any preceding generation of students to challenge the years that lie ahead.

What those years will present only the speeding of Time will reveal. But with your roots firmly implanted in the traditions of the pioneers from whence this City and this Dominion sprang, and your minds trained through the facilities which those same pioneers inspired, you can face the years ahead with confidence and mould them as you will.

Narrow Escape

Interviewer: "I understand that you were once a sailor. You must have had many hairbreadth escapes. What was the most serious?"

Ex-Sailor: "Well! I come close to bein' drowned once. I went to sleep in a bathtub and forgot to turn off the water."

Say you saw it in the Analecta

Blonde: "And are you really and truly happy now that we are engaged, darling?"

Second Lieutenant: "Of course I am, dearest. I can concentrate on the war again now."

Jack had just been informed by his guv'nor that he was spending twice as much money at college as he should. "Son," remarked the guv, "I know you're spending it on whisky and women. I don't mind you fooling with one of these, but you can't keep up the pace with both. You've got to cut one of them out absolutely." "All right dad, I'm willing. Which one would you advise me to cut out?" The old man thought in silence for a moment and then said, "Son, you can drink all the whisky you want when you get old."

Hoaxer: "If I leave security equal to what I take away, will you trust me till next week?"

Grocer: "Certainly."

Hoaxer: "Then sell me two of those hams and keep one of them till I come again."

"She: "What do you mean by telling me that the dates you had with me were like a string of pearls?"

He: "Neckless, dearie, neckless."

Then there's the one about the recruit who told the major a maneuver was something you put on the grass!

Company came unexpectedly to dinner and Tommy was told that he and mother would not have any oysters in their oyster soup as a result. Tommy was enthusiastic about doing his share of the sacrificing, but when his plate of soup was brought to him it contained one small oyster. Holding it up on his spoon Tommy said in a loud whisper. "Mother, shouldn't Mrs. Smith have this oyster, too?"

"Experience" is what we get when it's too late to keep us from doing what we shouldn't have done.

In Appreciation

Once again another Analecta is completed. The staff and I have tried hard to make this book one of the best yet, but there are still many improvements that can be made in it. I would like to express my thanks to Miss Kaulbach and Mr. Weir for the fine co-operation they gave me; to Dick Soley, the advertising manager, for his fine work which really makes your year book possible; and to the rest of the staff who pitched in and did all they could to help when they were called upon to do so.

JOE SPENCER,
Editor.
